I agree to work within Edinburgh Napier University's Academic Regulations¹ which require that any work that I submit is entirely my own. The regulations require me to use appropriate citations and references in order to acknowledge where I have used any materials from any sources. I am providing my student Matriculation Number in place of a signed declaration in order to comply with Edinburgh Napier University's assessment procedures. 1. These form part of the Student Disciplinary and Fitness to Practise Regulations. A useful website on these requirements and how you can ensure that you meet them may be accessed through the Student Portal, via the Don't Plagiarism icon. Please note that breaches of regulations, such as Plagiarism and Collusion, may be investigated and penalised.
